Company Overview

AWS
Advance
Tier
Partner

Core5 is an innovative system integrator and technology provider, dedicated to delivering high-end IT technical solutions and consulting services. Our focus spans across various industries and government organizations, specializing in Cloud Solutions, DevOps, Security, and AI/ML. With an emphasis on customer success and operational efficiency, we aim to drive digital transformation for businesses of all sizes.

Vision, Mission & Values

VISION

To be the premier partner in digital transformation, delivering innovative, customer-focused IT solutions that help businesses thrive in an increasingly digital world.

MISSION

We aim to empower organizations by providing customized technology solutions that enhance agility, productivity, and operational success.

VALUES

CUSTOMER-CENTRICITY

We focus on understanding and solving our clients' unique challenges.

INTEGRITY

We are committed to ethical practices and building long-term relationships.

INNOVATION

We constantly evolve to deliver cutting-edge solutions.

COLLABORATION

We work closely with clients to co-create value and ensure successful outcomes.

Core Services

1. CLOUD SERVICES

Transform your business by leveraging Core5's extensive expertise in cloud computing:

Cloud Migration

Seamlessly migrate workloads and applications to the cloud with minimal disruption.

Cloud Consulting

Develop tailored cloud strategies with our AWS and Microsoft Azure-certified professionals.

Cloud Deployment

Deploy your cloud infrastructure quickly and efficiently with our proven methodologies.

Cloud Management

Manage your hybrid, public, or private cloud infrastructure effectively with 24/7 monitoring and support.

Core Services

2. DEVOPS & AUTOMATION

Speed up your IT operations through automated processes:

DevOps Consulting

Implement DevOps practices for continuous integration, deployment, and monitoring.

Infrastructure as Code (IaC)

Automate infrastructure management for faster deployment.

Process Optimization

Use automation to reduce manual tasks and improve operational efficiency.

Core Services

3. CYBERSECURITY SOLUTIONS

Safeguard your business with end-to-end security solutions:

Network Security

Protect your network with firewalls, VPNs, and intrusion detection systems.

Endpoint Security

Secure devices using tools like Symantec, Trend Micro, and Sophos.

Cloud Security

Leverage AWS WAF, Azure security tools, and encryption to protect cloud environments.

Data Protection

Ensure compliance with GDPR and other data regulations through robust encryption and backup solutions.

Core Services

4. MANAGED IT SERVICES

Achieve continuous operational excellence with our managed services:

IT Support & Maintenance

Get proactive support and maintenance for your infrastructure.

24/7 Monitoring

Round-the-clock monitoring of your IT systems to detect and resolve issues promptly.

SLA-Based Support

Customized support levels based on your business needs, ensuring minimal downtime.

Our Branches

Specialized Offerings

AI/ML & ANALYTICS

Harness the power of data to drive business insights:

Predictive Analytics

Leverage AI to forecast business outcomes and make data-driven decisions.

Machine Learning Models

Implement ML algorithms to automate processes and improve efficiency.

Business Intelligence

Create real-time dashboards and reports for actionable insights.

AUGMENTED REALITY (AR), VIRTUAL REALITY (VR), AND MIXED REALITY (MR)

Deliver immersive experiences:

Virtual Training Programs

Use VR for employee training and simulations.

Product Demos

Utilize AR/VR to create interactive demos for customers.

Collaboration Tools

Use MR to enhance remote team collaboration.

CLOUD-BASED MEDIA SOLUTIONS

Enhance content production, storage, and delivery:

Cloud Content Storage

Scalable and secure storage solutions for your media files.

Content Distribution

Use our cloud services to distribute content globally with minimal latency.

Our Offerings

CLOUD SERVICES (AWS & AZURE)

Public Cloud/ Hybrid Cloud/ Private Cloud

NETWORK & SWITCHES

Cisco/ HPE Aruba/ Dell/ D-link/ TP- LinkCyber
Security & Firewalls - Palo Alto/ Checkpoint/
